## King Arthur's Wars

2016-06-20 Jim Storr The story of an era shrouded in mystery, and the gradual changing of a nation's cultural identity. We speak English today, because the Anglo-Saxons took over most of post-Roman Britain. How did that happen? There is little evidence: not much archaeology, and even less written history. There is, however, a huge amount of speculation. King Arthur's Wars brings an entirely new approach to the subject—the answers are out there, in the British countryside, waiting to be found. Months of field work and map study allow us to understand, for the first time, how the Anglo-Saxons conquered England, county by county and decade by decade. King Arthur's Wars exposes what the landscape and the place names tell us. As a result, we can now know far more about this “Dark Age.” What is so special about Essex? Why is Buckinghamshire an odd shape? Why is the legend of King Arthur so special to us? Why don't Cumbrian farmers use English numbers when they count sheep? Why don't we know where Camelot was? Why did the Romano-British stop eating oysters? This book provides a new level of understanding of the centuries preceding the Norman Conquest.

## King Arthur's Wars

2016 Jim Storr King Arthur's Wars describes one of the biggest archaeological finds of our times, yet there is nothing new to see. There are secrets hidden in plain sight. We speak English today, because the Anglo-Saxons took over most of post-Roman Britain. How did that happen? There is little evidence: not much little archaeology, and even less written history. There is, however, a huge amount of speculation. King Arthur's Wars brings an entirely new approach to the subject. The answers are out there, in the countryside, waiting to be found. Months of field work and map study allow us to understand, for the first time, how the Anglo-Saxons conquered England; county by county and decade by decade. King Arthur's Wars exposes what the landscape and the place names tell us. As a result, we can now know far more about this 'Dark Age'. What is so special about Essex? Why is Buckinghamshire an odd shape? Why is the legend of King Arthur so special to us? Why don't Cumbrian farmers use English numbers, when they count sheep? Why don't we know where Camelot was? Why did the Romano-British stop eating oysters? King Arthur's Wars tells that story.

## Le Morte D'Arthur

1906 Sir Thomas Malory

## King Arthur

2001 Janet Hardy-Gould It is the year 650 in England. There is war everywhere because the old king is dead and he has no son. Only when the new king comes can the fighting stop and the strange, magical story of King Arthur begin. But first, Merlin the ancient magician has to find a way of finding

the next king...

## The Facts on File Companion to British Poetry Before 1600

2008 Michelle M. Sauer Some of the most important authors in British poetry left their mark on literature before 1600, including Geoffrey Chaucer, Edmund Spenser, and, of course, William Shakespeare. "The Facts On File Companion to British Poetry before 1600" is an encyclopedic guide to British poetry from the beginnings to the year 1600, featuring approximately 600 entries ranging in length from 300 to 2,500 words.

## The King Arthur Myth in Modern American Literature

2001-11-16 Andrew E. Mathis In American fiction, two forms of the Arthurian myth are commonly found: the use of the myth for political reasons, and the use of the myth for the continuation of an aesthetic tradition that can be traced back to the earliest use of the Arthurian cycle by writers in the British Isles. This work traces the use of the legend from Mark Twain's A Connecticut Yankee in King Arthur's Court to Donald Barthelme's novel The King. It discusses how Twain used the myth to take a stand against England, how it served cultural and aesthetic purposes in John Steinbeck's writing, how Raymond Chandler used it in complex texts with less obvious Arthurian allusions that carried strong cultural and even political associations, how John Gardner used aspects of the myth to embellish already existing narrative structures and to underscore philosophic debates, and how Donald Barthelme suggests the continuing interest of American writers in the Arthurian legend today in his novels. Also discussed is the effect of World War II on American literature and the Arthurian myth and the Camelot image surrounding the Kennedys.

## King Arthur in the Medieval Low Countries

2000 Geert H. M. Claassens The Arthurian myth is one of the most fundamental and abiding ones of Western culture. The legend of King Arthur and his knights was no less popular in the medieval Low Countries than it was anywhere else in medieval Europe. It gave rise to a varied corpus of Middle Dutch Arthurian verse romances, most of which are contained in a single manuscript, the so-called Lancelot Compilation of MS The Hague, KB, 129 A10. This manuscript of the early fourteenth century contains a cycle of verse narratives that rivals in its scope and thematic concerns the better known Old French Vulgate Cycle of Arthurian tales and Sir Thomas Malory's Morte D'Arthur. This volume contains new critical work on these and other Middle Dutch Arthurian romances, twelve studies by eleven established scholars in the field of Arthurian literature. In addition to this new scholarship, the volume is provided with an extensive introduction to the Arthurian literature of the medieval Low Countries, as well as summaries of all the extant Middle Dutch Arthurian texts. As such it should prove of interest to Arthurian specialists and enthusiasts alike, many of whom will discover a new body of

Arthurian tales, at once both familiar and new, in a heretofore relatively neglected area of Arthurian studies.

## King Arthur

2019-05-15 Caleb Howells This book explores a part of the King Arthur story often ignored - his exploits on the continent. By reexamining the evidence, Howell challenges convention and offers a compelling argument that connects the legend with a real historical event involving the invasion and conquest of much of Western Europe.

## Once There Was a War

2007-08-28 John Steinbeck A Penguin Classic “Age can never dull this kind of writing,” writes the Chicago Tribune of John Steinbeck's dispatches from World War II, filed for the New York Herald Tribune in 1943, which vividly captured the human side of war. Writing from England in the midst of the London blitz, North Africa, and Italy, Steinbeck focuses on the people as opposed to the battles, portraying everyone from the guys in the bomber crew to Bob Hope on his USO tour. He eats and drinks with soldiers behind enemy lines, talks with them, and fights beside them. First published in book form in 1958, these writings, now with a new introduction by Mark Bowden, create an unforgettable portrait of life in wartime that continues to resonate with truth and humanity.
